16). On verification it is found that there is no provision in the Budget in respect of the establishments noted in para 1 of note above. It is ascertained from the Director's office that until September 1946, the Auditor and Audit Officer, Food Supplies was admitting the pay bills of the said establishments and that as he objected to do so for the month of September 1946, the D.F.S. requested him to pass the bills provisionally as heretofore, which was done. It is also learnt that further proposals in the matter will be sent to Government as soon as a report from the Deputy Comm^r, Bangalore, is received in that office.

17) The Director's office file as the Budget has also been obtained alongwith a note dated 12-12-46 (Flag A) which is for perusal.

18) In the circumstances, whether a reply from the D.F.S to our letter dated 13.11.46 (Flag W) may be awaited is for consideration.

19) For perusal with reference to para 7. The D.F.S will be reminded to expedite his proposals.

25) The proposal of the D.F.S regarding 21/8 & 22/8 the Continuance of the Staff of the Food department in Bangalore District beyond the Sanctioned term is for orders. It is not clear as to why a special proposal has been made in the Case of Bangalore District only. The proper procedure appears to be to seek Sanction for the Continuation of a certain basic scale of staff for the entire State and then if the work in any particular district - like Bangalore or Mysore or Shimoga - is heavy, a Case may be made out for Sanction of special staff. If approved this will be pointed out to the D.F.S. The action of the D.F.S in having requested the A.A.O to pass the pay bills for the

month of July 49 on the same scale as heretofore, may be approved with financial Concurrence. It may also be necessary to request the D.F.S to carefully scrutinize the proposals for special staff. A single instance may be pointed out. Originally -in Para 1 supra- a request had been made for sanction of 25 Spl Revenue Inspectors to work in the City. These people had been employed without sanction and paid for, for nearly two years. As a special case however this was approved in paras 10 to 12 supra. Now 40 special Revenue Inspectors have been sought to be appointed quoting G.Os which relate to a period when the R.Is were expected to acquire foodgrains under certain special schemes. Now there is no acquisition to be done in the city. It is to be wondered what this large army of Spl R.Is are doing in the City. This will also be pointed out to the D.F.S, if approved, with the observation at A.

Sir,

Subject:- Continuance of certain staff of the Food Department in the Bangalore District, beyond the sanctioned term.

I have the honour to state that the Deputy Commissioner, Bangalore District has submitted proposals in his letter No.F.9.32/46-7 dated 28th September, 1946 (copy enclosed) regarding the continuance of certain staff connected with the Food Operations. The proposals are being worked out in detail and a final comprehensive report will be submitted to Government very early.

2. In the meantime, I have requested the Auditor & Accounting Officer, of this Department to admit the pay bill of the said staff of the Bangalore District for the month of September 1946 provisionally in audit on the same scale as heretofore. I request approval of Government to the action taken by me in this behalf.

Copy of letter No.F.9.-32/46-47, dated 28th September 1946, (Food Control Section) of Bangalore District Deputy Commissioner, to the Director of Food Supplies in Mysore, Bangalore.

Subject:- Continuance of certain staff of the Food Department in the District beyond the sanctioned term.

In continuation of this office letter of even number dated 31-8-46, I have the honour to invite your kind reference to this office letter No.EST.167/44-45 dated 7-6-45 (a copy of which is enclosed for ready reference) requesting in the circumstances - stated, that the 40 posts of Special Revenue Inspectors sanctioned in G.O.No.SD.501-19/A.85-43-1 dated 2-8-43 may be continued. I may be permitted tostate here that letter No.C.1.5520/44-45 dated 7-6-45 which stated that a recommendation had been made to Govt. to sanction the continuance of acquisition and other establishments sanctioned in G.O.No .SD.2307-18/A.37-44-11 dated 27/30-10-44 except the posts of the Special Officers, Harvest Acquisition, to the end of June 1946 did not evidently contemplate the continuance of the posts of the Revenue Inspectors sanctioned for special areas in G.O.No.SD.501-19/A.85-43-1 dated 2-8-43 including the posts of 40 Revenue Inspectors for Bangalore City as the Government Order referred to by you in your letter under advertance has omitted them. This omission was brought to your notice in this office letter No. Est.167/44-45 dated 13-6-46 (a copy of which is also enclosed for ready reference) and you were requested to kindly move the Govt. for the continuance of the 40 posts of Special Revenue Inspectors for Bangalore City with two peons for each. It was made clear in that letter that as instructed in your letter under advertance retrenchments would be effected whenever possible and the minimum staff retained for transport work in the City and also the collection of statistics, checking of stocks, etc. It was also pointed out therein that - against the 40 posts of Special Revenue Inspectors recommended for continuance only 28 had been filled up. Since at a subsequent stage, this number was found to be excessive, retrenchments were effected whenever possible and consequently the present number is only 18. On account of the receiving handling and checking of the stocks of pulses, maize, wheat etc., the transport work has increased considerably and it is being felt that it would be necessary to increase the number by at least 7. Hence sanction may be accorded for the continuance of only 25 posts of Special Revenue Inspectors with 2 peons for each till the end of June 1947 to enable me to avoid making - appointments pending sanction. In this connection, I might assure you that the number of Special Revenue Inspectors and peons appointed from time to time will be so regulated as to be never more than what is absolutely necessary for the discharge of essential work. It may not be out of place to point out here that the candidates appointed against these posts are intended for work under me in receiving, and distributing the quotas of foodgrains allotted to this District, verification of stocks of imported foodgrains and exportable commodities etc., in the City.

As regards the marginally noted menial establishment of the Food section of this office, it is seen from a perusal of the records that the staff sanctioned in G.O.No.c.s. 4133-7 dated 5-12-42 is being continued in the Food Section and it has somehow not been included in the order introducing basic scales into the Food establishment in the Districts. The full staff is working and their pay is also being admitted in audit month after month. As this is the minimum - menial staff required for the office and is absolutely necessary sanction for its continuance is also necessary.

1 Attender on Rs.15/- per month.
1 Cycle Orderley on Rs.12/-
5 Peons on Rs.11/- each.

In this connection, I may also invite your kind reference to the resolution passed at the meeting of the Deputy Commissioner's held in the month of May,1946 that the entire staff employed in connection with the food operations should be continued during 1946-47. I - therefore request you kindly to address Government to accord sanction for the continuance of the entire Food Establishment in the District;

in the meantime, to authorise the Auditor and Accounting Officer, Food Department, to pass the pay bills of the above establishments provisionally pending sanction of Government for their continuance.
